

System Feature Comparison

With so many options it can be hard to choose, this guide will provide the details that can help you decide which panel system is the right fit for your project. Keep an eye out for things like power options, accessibility, segmentation, price, lead times, and finish options.

System 2 is a time-honored classic. A sturdy monolithic panel system, with easy installation and practical functionality. The classic design featuring our honeycomb core construction provides the durability and flexibility to meet the needs of any office environment. Available in all standard Friant fabrics and laminates, making it simple to create a consistent look throughout your office.

Novo is a panel based system with clean lines and sharp angles. Novo is available in both classic monolithic and versatile segmented panels. Segmented panels allow you to mix and match fabric, markerboard, perforated metal and glass in a pre-assembled panel. Combine great aesthetic quality and hassle-free installation to create the perfect balance of function and design.

Interra is a modern frame and tile system available in 3 different paint finishes, offering infinite design variations to meet any workspace needs. It's durable & thin profile frames are stackable, allowing for ease of assembly and reconfiguration. The many features including a range of work surface leg options, open base panels, window tiles and frameless glass, make it the perfect systems product for today's fast-paced environments.

Panel Heights	32", 39", 47", 53", 62", 67", 85" <small>(Red indicates Quick Ship availability)</small>	39", 47", 53", 67", 85" <small>(Red indicates Quick Ship availability)</small>	29", 37", 45", 53", 61", 69", 85"
Base Detail	Plastic, 5" high x 3.5" thick	Metal, 5" high x 2" thick	Metal, 5" high x 2.5" thick
Data Capacity CAT	(70) in powered and (100) in non powered base	(20) in powered and (60) in non powered base	(30) in powered base and additional (100) along the height of the frame
Power Options	Base Only <small>(Power Grommet, Desk Mounted Power options available)</small>	Base Only <small>(Power Grommet, Desk Mounted Power options available)</small>	Base & Beltline <small>(Power Grommet, Desk Mounted Power options available)</small>
Upper Storage	Full width metal flipper door and matching shelf	Sliding and Pneumatic door with matching shelving, upmount option	Sliding and Pneumatic door with matching shelving, upmount option
